***I. Read the passage and circle the best option A, B, or C. (1.0 point)***

With the habit of working in teams and being helpful to another, villagers usually earn their livings from farming, raising livestock and making handicrafts. They live in a small community with a temple or a communal cultural house where great events, such as festivals worshipping the village god and traditional games are organized. Villagers in the Southern usually live in houses lined up along central road and built on stilts to keep above flood waters. Along the coastal lines, fishermen depend on the sea as a means of livelihood. In the Central of Viet Nam, a place suffering lots of natural disasters all the year round, people tend to be more hard-working than those in regions with favorable conditions. People in the central highlands and the northern mountains live by growing rice, rubber trees, coffee and tea as well as hunting. (Source: Adapted from Vietnam Travel Center)
